

From the Director's Chair

September 2018

We hope you are able to enjoy your Labor Day Weekend with fun and relaxation. If you have not read your Wing World yet, take a look at page 68. Happy 25 years to Chapter N.

We have asked Judy Eslinger to share with us an article for the month of September. See below for her thoughts on Chapter Life with a bunch of wing nuts.

Thanks

Chapter Life

The back of my vest has a griffin with "Fun, Safety & Knowledge"
Chapter N demonstrates this philosophy every time I join the group.
Fun - scenic rides, lunches, dinners (fondly known as Gold Wing Restaurant Raiders Assc.), potlucks, bonfires, overnight weekend trips, and activities with other chapters, ie: fundraisers, FMSC, & St. Peter 4th of July parade, Just to name a few. We do have fun!
Safety – IRC (BRC2), Ride to practice U-turns, calling out sand & gravel in the corners and always "Ride your own ride!"
Knowledge - Medic First Aid class and lots of various seminars to help keep us sharp!

Let's not forget the peace of mind having Rescue Plus. (I do ride solo quite a bit.) And the confidence in a wonderful bike mechanic to keep my ride safe.
Due to my crazy work schedule, weekday events aren't usually possible. So I look forward to every weekend. And my weekly ice cream treat!
Chapter N = a lot of great people putting forth a great effort to make a great chapter!

Judy Eslinger
Chapter N Treasurer

P.S. Thanks to all who joined us for our annual event 'Wings for Wings' on Sunday, Aug. 19; it was great to see everyone there. We have a great chapter with great members.
