

From the Director's Chair

January 2018

As I sit here today pondering what to write about, my mind is off wandering and checking off the various lists I have for the upcoming holiday gatherings our family will be going to. Do I have all the gifts I need? Do I have all the ingredients for all the different dishes I am preparing? What about New Year's? Do we go to a party or should we host a party? Then there are birthdays for two of our children that will happen a week after Christmas. What should we get them? Another child is moving 12 hours away and leaving in a week. And the list goes on and on and on and on.....then my mind wanders off to all the new adventures and fun we are looking forward to in 2018.

January brings the start of the 25th year for Chapter N. We are planning some fun events for the non-riding season. January, we are planning to attend a Hot Air Balloon event in Hudson, an Escape room event is being planned in March and before we know it April will be here with the hope that weather will be on our side and we will be able to start riding for the year. What are you looking forward to in 2018? Do you have a destination that you want to make it to? Do you have a fun adventure you would like to share with others? There is no pressure to lead a ride but if you have a place you want to go or a route you want to take, let us know. There are members who are happy to help and more than willing to lead if you prefer not to.

Let's have a fun 2018!
