

Sept 24, 2022

This will our final GWRRA Newsletter. As much as we may have gotten frustrated at times figuring out how to lead this organization. Esp. through Covid lockdowns and all. It has been our honor to serve you all.

On October 1st the reins will be turned over to Scott Mattson and his team. Scott is very experienced in group leadership so we are in good hands. I have added the link to the EWMA Links at the bottom of the Wrap Up. We hope that those who have been receiving these Wrap Ups will take the plunge and join us in becoming members of the EWMA.

There was a question about GW links and EW links. Your old GW links should take you to the newly titled pages. New people going to those sites will get the new link.
